

MBA DAY 2023: Masterclasses

Impact Investment by B FARBER

Develop a general understanding of the challenges of impact investing and to show how the investment and impact thesis is used in practice when deciding where to invest.

Leading with Impact & Purpose by J DE PESSEMIER

Ethical leadership adds value and helps to shape a more positive and inclusive future. Develop and use your purpose-driven leadership skills further to positively impact individuals, teams, organizations, and society.
